

Home Phone Plans – Domestic Saver & Home PAYG

Service Description

Your Occom Home Phone Service Plan allows you make and receive phone calls, like you do using a regular phone but instead of your calls being delivered over a regular phone line, they travel over your high-speed internet connection. This service requires an internet connection which customers can source from OCCOM. For availability please contact our Customer Support team.

Home PAYG Plan	\$5/month	<ul style="list-style-type: none">60 minutes standard local & national calls to Australian landlines

What's Not Included

Your plan does not include calls to 13/1300 numbers, international calls and premium service numbers or any additional calls over the included minutes. Charges to these services will apply and are outlined below:

- Australian landline calls: After the exhaustion of minutes included, \$0.0275 per minute will be charged
- Australian mobile calls: After the exhaustion of minutes included, \$0.055 per minute will be charged
- 13/1300 calls: \$0.44 per call
- As a domestic plan, the calls to International numbers are not allowed

Contract Terms

The minimum contract term is 1 month. There is no setup fee, activation fee or exit fee for this plan.

Customer Service Guarantee Waiver

Occom is offering lower call costs, but is only able to do so on the basis that it is not required to meet the performance standards set out in the Customer Service Guarantee. The standard monthly fee stated in the Information about pricing are based on new customers agreeing to waive the Customer Service Guarantee (CSG). A complete version of the CSG and an explanation of its terms are available on the Australian Communication and Media Authority's website (<https://www.acma.gov.au>).

Cancelling Your Service

If you need to cancel the service, you will be required to give us 30 days' notice. No pro-rata credits or refunds are offered for cancelling accounts. Please bear this in mind if you need to cancel a service.

Hardware Charge

To use the service, a compatible VOIP router is also required. Customers can purchase one (\$180) through Occom.

First Payment

When signing up, your first monthly fee will be charged in advance. This upfront payment will be applied to your first monthly bill. However, the billing cycle will not start until your service is activated and a billing date is set. Service Activation Date is the date that your service is activated by the upstream provider.

Billing Date

Your bill is charged on the same date each month (unless it falls into a public holiday and will be processed on the following business day). For example, if your service is activated on 3rd October, billing date will be 3rd of each month. The monthly fee is prepaid, and will be charged in the beginning of each billing cycle.
