

Occom Mobile (Vodafone) International Roaming

Overview

International Roaming is available in selected countries, allowing customers to use their mobile service overseas. Please refer to the tables below for the list of supported countries for each pack.

Activating International Roaming Pack

You can add a roaming pack at any time via the customer portal, the Occom mobile app, or by calling 126101. The roaming pack will start immediately upon activation.

Track Your Usage

You can check your remaining data balance via the customer portal, the Occom mobile app, or by sending 'BAL' to 126101.

International Roaming Packs

Name	Data Included	Call Included	SMS & MMS Included	Validity Period	Call Countries*	Price (incl.GST)
Roaming Lite	1GB	60 Minutes	100	48 hours	16	\$18
Roaming Plus	2GB	90 Minutes	100	7*24 hours	32	\$38

* Below is the list of countries included in international roaming packs. The countries are grouped by roaming pack type (Roaming Lite or Roaming Plus), as each pack includes different destinations. If you are visiting a country that is not listed under your chosen pack, your service will not work, and we recommend purchasing a local SIM in the country you are travelling to.
